## About Me

Hi, I'm Shashwat — a passionate and motivated Software Engineering student with a strong foundation in Data Structures and Web Development. I enjoy solving problems and building creative solutions using languages like C++, and Java. I also have experience with front-end technologies including HTML, CSS, and JavaScript. I'm constantly learning and excited to grow as a developer, contribute to impactful projects, and explore new technologies.

## Skills

Java

C++

C

HTML, CSS, JavaScript

SQL, Microsoft SQL Server

## Projects

CrowdAid

Sudoku Solver

Simple Timer

## Education

Degree	Institute	Year
B.Tech in Computer Science Engineering	CU	2023-2027
